Foodex

Foodex | Internet Retailing Expo | Multimodal | IMHX | CILF

About the event

Foodex is co-located with the UK's largest Food and Drink trade event in 2016 - Food & Drink Expo and the National Convenience Show - instantly opening your company up to new buyers and markets that may not have attended a stand-alone event.

18-20 April 2016

Foodex gives you the opportunity to meet face-to-face with the right buyers and decision makers from the food and drink processing, packaging, ingredients and logistics industries.

It is held over three days, 18 – 20th April 2016, at the NEC in Birmingham.

Attending as an UKWA member

UKWA will have a high profile presence at Foodex 2016, with a large, well located Pavilion that includes stands for members to exhibit as part of the Association. There is a lounge area on the Pavilion with seating/ tables and fridge. The Pavilion is branded and will be promoted by the organiser and UKWA.

Marketing support is part of the UKWA members' package for this event, including your brand profile - logo and short text summary - on a preview e-shot sent out to UKWA's and organiser's databases, prior to the events.

This show is already 90% sold out and we only have a handful of stands left (as members who exhibited on our Pavilion last year have rebooked), so contact us as soon as possible to take part in this hugely successful show.
